Who we Are

We Find Any Learner is a company which matches people to funded training courses using leading training providers nationally. All of our distance learning courses are free and suitable for most staff or volunteers regardless of previous qualifications. Funding is available for distance learning to anyone who is 19 or older and lived in the European Union for 3 years or more and not doing another funded training program with another company.

Why choose Us?

- ✓ We work with multiple providers giving you a larger course selection
- ✓ Individual or group bookings can be made
