Caring for Children and Young People Level 2

Course Overview

Welcome to the Level 2 Course in Caring for Children and Young People, with a focus on caring for young children in a babysitting environment. This course is designed to equip you with the knowledge and skills needed to provide safe and effective care for young children in a variety of settings, including at home or in a professional capacity.

Throughout this course, you will learn about accident prevention and fire safety when babysitting, which are essential skills for anyone responsible for the care of young children. You will also gain an understanding of your rights and responsibilities as a caregiver and the legal obligations that come with parenting.

In addition, this course covers the importance of promoting healthy lifestyles for children and young people. You will learn about the factors that contribute to a healthy lifestyle, including proper nutrition, physical activity, and emotional well-being.

Upon completion of this course, you will have the confidence and knowledge to provide high-quality care for young children and the ability to create a safe and nurturing environment. Whether you are a parent, caregiver, or babysitter, this course will provide you with the essential tools to care for young children with confidence and competence.

What is the cost?

As a result of government funding, this qualification is currently offered at no cost. However, please note that the number of funded places can be limited. To ensure you secure your spot, we recommend booking early.
