Common Childhood Illnesses Level 2

Course Overview

Welcome to the Common Childhood Illnesses Level 2 course! This comprehensive course is designed to provide you with an in-depth understanding of how to create a safe and healthy environment for babies and young children, while also equipping you with the knowledge to recognize and manage common childhood illnesses and health emergencies in an early years setting.

Throughout the course, you will learn about a variety of topics related to childcare and health, including the most common illnesses and health conditions that can affect young children, the steps you can take to prevent their spread, and the appropriate ways to respond in the event of an emergency.

You will also gain valuable insights into the best practices for providing care and support to children who may be experiencing illness or health conditions.

At the end of this course, you will have the skills and knowledge needed to create a safe, nurturing, and healthy environment for the children under your care, giving them the best possible start in life. We look forward to working with you as you progress through this exciting learning journey.

What is the cost?

As a result of government funding, this qualification is currently offered at no cost. However, please note that the number of funded places can be limited. To ensure you secure your spot, we recommend booking early.

How do learners benefit?

Taking the Common Childhood Illnesses Level 2 course would benefit learners by equipping them with the knowledge and skills to create a safe and healthy environment for babies and young children, recognizing and managing common childhood illnesses, and responding appropriately to health emergencies in an early years setting.

Additionally, the course would enhance learners' professional development, making them better equipped to provide high-quality care to young children and potentially boosting their career prospects.
