# Preparing to Work in Adult Social Care Level 2

## Course Overview

Welcome to the Preparing to Work in Adult Social Care Level 2 course, this course has been designed to equip you with the knowledge and skills required to work effectively in the adult social care sector. The course content has been carefully crafted to provide you with a comprehensive understanding of the key areas relevant to this field.

Throughout the course, you will gain an appreciation of what to expect in the adult social care sector, including the roles and responsibilities of care workers, and the importance of person-centred care and safe working practices. You will also develop a deep understanding of duty of care and safeguarding, which are crucial aspects of working in the social care industry.

Furthermore, you will improve your understanding of equality and diversity, safeguarding and protection, which are fundamental principles in the provision of high-quality care. This course will provide you with an excellent foundation for a career in adult social care and enable you to provide compassionate care to those in need.

## What is the cost?

As a result of government funding, this qualification is currently offered at no cost. However, please note that the number of funded places can be limited. To ensure you secure your spot, we recommend booking early.

## How do learners benefit?

Taking the Preparing to Work in Adult Social Care Level 2 course would benefit learners in numerous ways.

Firstly, it will equip them with the knowledge and skills required to work effectively in the adult social care sector.

This knowledge will enable them to provide compassionate care to those in need, while ensuring their safety and wellbeing. Additionally, the course will improve their understanding of duty of care and safeguarding, which are crucial aspects of working in the social care industry.

Overall, the course will provide learners with an excellent foundation for a career in adult social care and enhance their employability prospects.
